

Headland Hero Banner Project 2020 Application

Would you like to see a picture of someone special honored here?

Honor someone who's life has been a positive influence. Do you know a coach, teacher, policeman, veteran, family member or business owner who has made an impact in your life, someone who has been dedicated to our community?

A banner with their picture and name of your hero will hang in our downtown for one month during January, February or March 2020, 2021 and 2022. For \$300 you can let them know how much you appreciate them.

A card will be provided with a rendering of the banner to give to your hero. It would make an excellent gift this Christmas!
